Headteacher's news:

I don't think any of us could have imagined that the final week of the school year was going to be quite like that. Ofsted finally came and so did a heat wave. Discos took place, Y3 and Y4 went on their trips, reports were sent out, Y6 performed their leavers' show and together we got through the week. I would like to express my sincere thanks to the children, the staff, the parents and carers and the governors for working together through the challenges we faced. The support the school has received has been unwavering.

I hope you all have a lovely summer. Good luck to our Y6 children and I look forward to seeing the rest of you in September.

Some photos from this week:

Today in assembly we said good-bye and good luck to all our Y6 leavers as well as some of our teachers and support staff. We wish the children the very best in the next stage of their education and the staff the very best in their new jobs and to Mrs Darley in her retirement. They will all be missed!

The school had a Section 8 Inspection on 19 & 20 July.

School leaders and governors met with the lead inspector on Wednesday to receive the feedback. I am unable to share the outcome with the school community (not even the staff) until the report is published which, due to the proximity to the holidays, is not going to be until late September. The report has to go through quality assurance processes before I receive a draft and then it usually takes another 3 weeks after that. I am sorry that I can not share any more than that at this time but would like to thank you again for the positive comments on the survey and your support throughout the process.

DATES FOR YOUR DIARY
