## Headteacher's news:

This week in school, UKS2 enjoyed a unique experience when the UK's only Maya archaeologist and expert - Dr Diane Davies - visited to talk to the children (and share artefacts) about their current history topic. You can find out more by visiting one of the class blogs (links at the bottom of the page).

In other news, Y6 staff hosted a meeting after school on Tuesday to discuss the up and coming Y6 Residential which is taking place in the first week after Easter.  Year 3-5 have been very busy with rehearsals for next week's performances of Joseph which we are very much looking forward to sharing with you.   Today we had a non-uniform day and the children brought in a variety of technicoloured goodies which have been packed into 7 luxurious hampers.  Thank you for your kind donations and for buying and selling the Joseph raffle tickets.

Have a lovely weekend.

**In assembly this week**, we had a visit from Jackie Andrews - the local PCSO - who spoke to the children about the role of the police and all the jobs they do.  They were introduced to PC999 Bobby Bear and we now have our very own PC Bobby Bear to keep in school. Children who missed the assembly have been shown a video in class assembly time.

FORP **Easter Egg Scramble** and Joseph **whole school raffle** items are in this week's RPP as a final reminder.

**Tickets for Joseph and the Amazing Technicolor Dreamcoat** have been made available to the Y3-Y5 parents in a letter which was emailed on Tuesday.  Tickets can still be obtained through this link and by using one of these codes:
